

Michael Henry

Current president and a member since 2024. I am self employed as a Forensic Evaluator/Psychotherapist. I have served in various volunteer organizations in different roles for the past 60 years including fund raising and youth coaching. I was attracted to become a member of ACCESS because it is youth and community oriented. I believe that all things are possible and in achieving your full potential, by preparing yourself for the opportunity to make the community and world a better place to live in.
